NEXT STEP SYSTEMS IS CELEBRATING 30 YEARS OF CONNECTING TOP IT TALENT WITH OPPORTUNITIES

August 1, 2025 marks a major milestone for Naperville, Illinois-based IT recruiting firm, Next Step Systems - 30 years of helping businesses grow through the sourcing and vetting of top-tier IT talent.

Since 1995, we've proudly matched forward-thinking companies with the skilled professionals they need to drive innovation, solve complex challenges, and stay ahead of the curve. What's changed in 30 years? Technology has evolved at lightning speed, and the job market has transformed dramatically. Yet our mission remains the same: to deliver exceptional recruiting services with integrity, speed, and a human touch.

Top technical recruiting agency, Next Step Systems focuses on placing information technology professionals of all specialties and levels in permanent and contract positions nationwide.

We're excited about the future and more committed than ever to helping companies grow, succeed, and lead in this ever-evolving technology landscape.

With appreciation,

Mike Stapinski
